

SOME THINGS YOU WOULDN'T TRADE FOR THE WORLD. THAT'S WHY WE'RE NOT PUBLICLY TRADED.

Unlike some of the national, public health insurance companies, Blue Cross and Blue Shield of Texas is non-investor owned, so instead of worrying about what's happening on Wall Street, we can focus on our members and their well-being. We call it being you-driven, not investor-driven, and it's how we've taken care of families for over 70 years. Now and always, you and your loved ones can live life with the confidence of knowing you'll come above the bottom line.
