

Ten Great Reasons To Be Blue

1. We are Texas born and bred, and we have been servicing Texans since 1929.
2. We are the largest statewide provider network that is the only non-investor owned health insurance carrier in Texas with 25 percent of the market share and more than four million members.
3. We have approximately 5,000 employees in Texas with 19 locations statewide to provide superior customer services for you and your staff.
4. We are one of the most recognized brands and trusted names in health care.
5. We offer services and information to assist you in providing care to our members and obtaining fast and accurate reimbursement.
6. Provider seminars are held year round in many locations across the state for education and training opportunities. We also provide a quarterly newsletter, *Blue Review*.
7. Providers are listed on our website at bcbstx.com under Provider Finder[®] for easy access and enabling patients to contact you for services.
8. We offer a wide variety of electronic resources such as claims filing and verification, remittance advices and fund transfers.
9. You will have an appointed Provider Network Representative that will be available to you and your staff for assistance and education opportunities.
10. We commit time, effort and funding to support more than 150 charitable organizations, including our Care Van[®] Program providing children's immunizations across the state.
